

The Adventures of Huckleberry Finn (A BookHacker Summary)

Lets be honest: sometimes youre asked to read an important book that you dont want or have time to read. Sometimes you try and its just so boring and impenetrable that you cant get through it. And then, even worse, sometimes youre asked to take a test or write a paper about it. If that sounds familiar, then BookHacker was designed for you. BookHacker summaries strip away all the subtlety and stuffiness of literatures classic works (100% thou-free guaranteed) and get right to the point. Taking away all the guess work, BookHacker presents the books warm gooey center in a concise, logical and entertaining way. Just because literary classics can be dry and boring doesnt mean understanding them has to be. In Mark Twains, The Adventures of Huckleberry Finn, BookHacker tags along with Huck and Jim as they escape from book learnin and slavery on a raft down the Mississippi River in 1840s America. In one of American literatures great coming of age stories, BookHacker helps you identify and explain all the hypocrisy Huck finds during a series of wild adventures complete with murder, racism, and even more racism. Im not going to lie--I used this to get out of having to read the book for class and it worked Steven, 10th grade?? BookHacker gave me exact details and plotting, EXACTLY everything I needed to get through a dry, tough book Rebecca, college freshman?? This was surprisingly cool and honest. Would I want my teachers to know I used it? No, but thats why its worth buying. Andrew, 12th grade

BOOKHACKER BREAKDOWN:

1. Executive Summary - This is the Who, What, Where, When, Why, How in 60 seconds or less.
2. Plot - We do the reading so you dont have to. The essential plot points of the story.
3. Scenes - Every great story has a number of number of important moments that are crucial (read: testable) to its understanding. These are those.
4. Characters - If you cant figure out what this

section is about, you should probably be coloring.5. Analysis - Themes, symbolism, and all manner of insufferable literary nonsense.6. Quotes - All the intimacy of the book with none of the commitment.7. Popular Culture - Books have a way of finding their place in the cultural consciousness. You might want to know about that.8. Extras - Media, links and leftovers.
