

By The Light Of A Darkened Forest

Evelyn longs for escape. Tormented by severe migraines and horrific nightmares, she seeks quiet refuge from her otherwise dull existence. What Evelyn doesn't bargain for, however, is getting caught in the woods following a wicked snowstorm. In a now unfamiliar landscape, how will she ever find her way home? When a handsome stranger comes to her aid, Evelyn is quick to follow his lead, despite her instinct that he is anything but normal. Leading her into a world of everlasting winter, a chain of events that will forever change history is set forth, and what Evelyn discovers about herself turns her world on end. A unique take on the paranormal fantasy genre, *By the Light of a Darkened Forest* is a mesmerizing debut from J.W. Goodwin.
