

Chase Tinker & The House of Destiny Book 3 of the Chase Tinker Series

In Chase Tinkers world, magic, lies and secrets can be a lethal combination...For eight agonizing months Chase Tinkers guilt over the despicable act he committed on Halloween night has been eating away at his heart and mind. Chases life gets even more complicated when secrets about the mysterious Relic in the attic are revealed, right before an unwelcome caller arrives on the day of Chases fourteenth birthday! Despite these problems, his biggest concern is that his familys Dark Enemy, the Marlowe Family, is becoming more powerful with each passing day, fueled by the magic they continue to pillage from the many magical beings in the world. If Chase and his family are ever going to win, theyll need a whole lot of magical help. They must destroy the most evil threat the world has ever known.
