

## Eternity: Preparing and Waiting

The book called, Eternity (Preparing and Waiting), is a 6x9 - over 200 pages, hard and soft bound cover. This book has been written to be read by everyone who is seeking eternity in heaven, and avoiding the opposite. This book introduces us to a critical time when many habitually think and act as if there is no eternity. Or, perhaps what we do in this present life has no bearing on where we will spend eternity. This book offers a message of hope and victory. Although, we face unending daily problems, the Bible clearly reveals that God is victorious no matter how conditions may appear from a worldly perspective. Also, as you read this eternity book; and as each day passes by, maybe, you'll be wondering have I done all the necessary things to enter heaven. This book will let you know where you stand in eternity.
