**Wow Sona is so OP after this rework! - League of Legends Community** Im tired of hearing this. -She has so much more damage! -Her W got a massive buff! -E is a lot faster now! Well, you think current Sona. **Its time to make her good again. - League of Legends boards** Aug 6, 2016 I don?t know why would u want to slow down a trap with sona?s passive or do more damage to it or reduce the damage by 20%. It has to be the **The problems with Sonas current state - League of Legends boards** Aug 15, 2015 Shes been my go-to support for 2 seasons and I have a fair amount of insight into her current state of power. Only mid-Plat so this is just my **Why do people say Sona is OP or best support? - League of** Mar 23, 2017 So its likely not that Sona was left out due to malice or negligence, but because Riot wanna sort out the Ionia stuff so that her story can be **EXPERIMENTAL Sona changes. Feedback wanted - PBE Community** Apr 25, 2015 Sona has been nerfed more than any other champion in the game, enough to have a meme about it. Apparently at one point (Season 4 I think) **A Gaelic Dictionary: In Two Parts I. Gaelic and English. - II. - Google Books Result** The Tivoli Storage Manager HSM client supports the SONAS GPFS file system by using Orders and recalls files in separate steps so that you 408 IBM SONAS **DJ Sona FAQ Riot Games Support** It seems strange that Sona can do so much damage output while still being a fantastic support/healer. Why? Im surprised this hasnt been **Why is Sonas E so out of place? - League of Legends boards** Im Sona in a lot of matches as shes my favorite out of all champs, and while I am usually kind to my teammates and the enemy, I am by no **why does nobody play sona mid? - League of Legends boards** For me shes the worst. No sustain, cant target her spell, no control. whats so good about her? - While sona makes 1 ulti every 100 sec, janna **Sonas: Celtic Thoughts on Happiness - Google Books Result** Sep 28, 2015 So been playing a lot of Sona recently and WOW she is weak through the entire game. Early your heal is so mana hungry 80 mana at rank 1 to **Sona Build Guide : Sona is so my New Main S7 - BonusSatis**

Oct 3, 2015 So is Sona. So they clearly aren't bad picks regardless as to whether or not they are top tier picks or whether or not you want to play them in **Why is Sonas winrate always so high? - League of Legends boards** DJ Sona will have three forms that you can toggle through by typing /toggle or pressing ctrl + 5. **So have we finally reached that point? Sona is a better AP mid now** THE WAITING AREA IN MALAGA AIRPORT is limited, so if you have two hours to kill, a quiet corner to yourself is a bit ambitious. I have a good book and a cup **Ask a Sona Main - BloodWater - Completed** Oct 3, 2015 So is Sona. So they clearly aren't bad picks regardless as to whether or not they are top tier picks or whether or not you want to play them in **So is no Rioter going to come forward about the decrease in Sonas** Aug 30, 2015 you literally cannot get this ability early game because it's so useless, and in late game it provides little to no benefit, I main Sona as an AP, not **Why does sona do so much damage? - League of Legends Community** Jan 12, 2016 sona mid is considered kind of off meta / trollpick but I'm not really sure why. y'all are so annoying I'm playing blind norms and having fun **Sonas (SO NASIONAL) - Bandung - Local Business Facebook** Sep 8, 2014 It's been 700 since she was released 4 years ago all up until the rework she had, it was changed with no intention to do so, nothing about her **Lets talk Sona - League of Legends Community** **So people say Sona is garbage - League of Legends boards** May 3, 2016 I know Sona discussions can get quite heated so let me preface this whole thing with the following disclaimer: These changes are HIGHLY **So Sona wasn't included in the Lore update** Phone, Suggest a phone number Address, Suggest an address. Jan 30, 2017 Sona is so my New Main S7 - BonusSatis. Sona build guides on MOBAFire. League of Legends Premiere Sona Strategy Builds and Tools. **IBM SONAS Implementation Guide - Google Books Result** Apr 8, 2016 I swear that her passive does more damage than ult and Q with on a little bit of AP. So why should she even have this, she is supposed to be **A Look at Sonas Kit - League of Legends boards** Now you might say that Sona is a ranged support and therefore Mostly to make sure that some champions can't melt her so easily at level 6. **why does nobody play sona mid? - League of Legends boards** So, it is important that if you make the decision to place file system data in HSM policy SONAS GPFS policies drive migration so Tivoli Storage Manager HSM **Why is Sonas poke so powerful? - EUW boards - League of Legends** So-mharbhachd, s.f. Mortality. So-mharbhata, a Is sona thu, a thlr, blessed art thou, O land ! Sonas an lorg na caitheamh, good luck follows the liberal. G. P. **So people say Sona is garbage - League of Legends boards** Sona does far too much damage for a support, look at janna, she is a support but Is it balanced? her doing so much damage as a support? **Sona: Why she is statistically strong, and why she feels so weak** May 4, 2016 I know Sona discussions can get quite heated so let me preface this whole thing with the following disclaimer: These changes are\_\*\* **HIGHLY SONAS Implementation and Best Practices Guide - Google Books Result** Sep 9, 2015 Obviously, Riot has a hard time balancing this kit because it's so [Passive] Power Chord: AURA: Sonas basic abilities each generate a **Why are all Sonas so polite? - League of Legends Community** May 31, 2016 Hell be hanging out for the next few hours to answer your Sona questions, so go ahead and ask him anything! UPDATE - This AMA is officially **Can you fix Sona's passive so it doesn't trigger when attacking a** Oct 17, 2015 I mean it removes a bunch of her weaknesses when she goes into mid, It may make new problems arise such as waveclear but it allows her
