

Women and Management: Global Issues and Promising Solutions [2 volumes]: Global Issues and Promising Solutions (Women and Careers in Management)

For every woman still bumping the glass ceiling and every man who cares, these volumes recount challenges female leaders face and strategies that will smooth the path to managerial positions in corporate America and worldwide. Prepares both women and men to meet the challenges of today's global workforce. Shares up-to-date research about women leaders worldwide, including strategies for success. Provides an overview of gendered organizations to help readers understand organizational dynamics that prevent women from reaching their leadership potential. Discusses generational differences in perceptions of women leaders and managers. Offers best practices to assist organizations.
